

## Guided Tour to Lowe's in Waycross

*A Special Needs class from Pierce County Schools took a guided tour provided by Lowe's in Waycross. Picture one shows a Lowe's Cashier explaining how bar-coding works, and how the cash register calculates the customer's change. Picture two shows students receiving information about the garden center before they tour.*

*After their tour of the Lowe's store, this group of Pierce County Elementary and Middle School Students enjoyed lunch at McDonald's furnished by the Pierce County Foundation for Excellence in Education.*
